**PROJECT DETAILS:**

Construction Cost Estimate: \$8 - \$9 million

Time of Completion: 240 working days

Project M/W/DBE goal: **21 %**

The project consists, in general, of constructing masonry block sound barriers (on barrier and pile cap), concrete retaining walls, storm drainage improvements, highway lighting and related improvements along I-680 within the Fremont and Milpitas corridor in Alameda County from 0.3 km North of Calaveras Boulevard Separation to 0.1 km South of Mission San Jose Separation.

Bid documents are available for purchase for a non-refundable fee of \$100 per set by contacting Scott Fabel, via fax at 510-451-4182 or by e-mail ([scott@ghirardelliassoc.com](mailto:scott@ghirardelliassoc.com)) or at 1970 Broadway, Suite 920, Oakland, CA 94612. The cost to mail the plans and specs are not included in the \$100 per set fee. Purchaser needs to supply their own Fed Ex / UPS number for us to mail the plan set if purchaser does not want to pick them up directly. You may also send an additional \$20.00 for it to be mailed USPS, first class. Make checks payable to "Alameda County CMA".

Bid documents are also available for review at local Builder's Exchange plan rooms.
